Srinivasa Rao. His pay as Vice President will be Rs 200/- + Rs 30 Carriage allowance - no other allce can be given. Why shd. Govt pay Rs 200 & the Mem^rs only Rs 30/- where is there any thing to show that I agreed to Govt- paying Rs 200/- If Mem^rs wish to have the luxury of a whole time Vice Pres^t, why shd not they pay for it

Pattabhi Rao Mudr - His pay as Vice Pres^t will be Rs 500/- but no allowance of any kind - ~~Govt~~ As the Salary is large Govt- have agreed to bear a part -

Sundara Iyer: He need only get what he was getting in D.P.W, but why should rise as he will have risen in D.P.W. - If the Mem^rs could dare let the Govt afford this let them get a Chairman. Has Sundaram joined or when will he join.

MC 470-92.

I have read these & other Connected papers again —

Mr. Chentsal Rao's note 25th ult. ref. to the Mysore Vice President & not to the Bangalore Vice President.

This settles the Question All 24 y 9

When I obtained the orders on 14 Jany 93 it was not decided that Sitter Vice Pres. shd be paid by Govt.

Because Corporation Funds Salary is large Govt will (as always agreed) bear one half or Rs 250/-

True Srinivasachariar was getting Rs 450 only - Surely that never was regarded as Salary It was more in the nature of a Carriage allowance -/.

In Municipalities Bangr. & Mysore have to borrow an Officer as Vice Pres. or Engr they must pay his Salary for the time being - Govt will waive the pensionary Contribution, but it is not fair to saddle the Govt. with more —

In some cases Small Hd Qr Carriage allce will also be necessary. It has been granted to Srinivasa Rao; many are to be granted to Sundaram and it may be difficult to refuse to both & Corporation Funds

Govt I wd like it to be decided whether Sundaram Jr is required under such circs. It wd be necessary to give him some Small Carriage allowance in addn to pay for time being in the D.P.W. —

It is not fair to Bangr Funds to pay Srinivasa Rs 200 + 30. They used to pay Srinivasachariar 150 & the Govt 100/?1. total 250.

To.

The Chief Secretary
to the Government of Mysore

Sir

I have the honor to forward herewith for the sanction of the Government, extract of a Resolution of the Board dated 28th April 1893.

The Board has upon the motion Mr. T. T. Leonard and after full careful discussion resolved request the Government to increase the allowance of the Vice President from Rs 30/- as sanctioned in the Proceedings of the Government No 16298-301/L.F. 104-92 dated 3rd April 1893 to Rs 100/- fees and allowance being paid from the Municipal Funds.

3. Bangalore is a large and growing Municipality with an annual income of Rs 175358/- and an expenditure of Rs 163647/-. What is more important is that both income and expenditure are capable of considerable augmentation. The revision of the existing taxes and the imposition and assessment of new taxes, as also the improvement of the town especially its drainage and sanitation leading the Officer concerned at each step to tread on the corns of rich and influential citizens demand not only great firmness of character but also commanding personal influence. They are wanted in a still larger degree while the Vice President is dealing with the Board than with the people. It is to be noted that he has a right in my absence to preside over and regulate the Proceedings of the Board which has on it, Officers of the position

of the Senior Surgeon, the Principal of the College and the Executive Engineer of the District and not a few private gentlemen of no less importance whose respect the Vice President is expected to command. A sufficiency of means gives one an independence of character which is sure to command influence and respect. Apart from it, Indian society is an Official society and a man's position and importance in it is often gauged by the standard of pay.

4 Applying the above Consideration to the present case we have to see whether Rs 230/- is a sufficient salary. It is my conviction that it is not so that gave my rake to the increase.

5 I have not referred to the ability, & tact of Mr. Srinivasa Rao, as when his services are secured an increase of salary to him Cannot

give him an increase of those qualities
But I must beg the Government to
consider whether disappointed hopes will
not affect the zeal and industry of
an officer whatever his sense of duty
may be. Mr Srinivasa Rao's hope of
getting an allowance of Rs 100/- was
not ill-founded and unreasonable
as a full-time Vice President (Mr
Puttanna Chetty) not long ago was
given that allowance

Sir,

In submitting herewith copy of Resolution of the Municipal Board, Mysore City, dated 30th Instant, desiring for the postponement of Mr. Cooppoosamy Moodelia's retirement for a year more, with a view to his services being utilized as heretofore, I beg to state that the Board is of opinion that the affairs of the Municipality as they are at present, require the special experience, great patience and the earnest devotion to duty which Mr. Cooppoosamy Mudelia possesses. They submit that in a year more, he will be able to complete and systematize the work he has

in the accounts, collection and sanitary branches & the general organisation of the whole establishment They are forth of opinion that although he is 60 years of age his working capacity is unimpaired and that he has been doing his work as efficiently and energetically as though he were in the prime of life. The Board thinks that if the Government be pleased to give it the benefit of his services for a year more, the reforms he has initiated and carried out to a certain extent will have a fair chance of being satisfactorily completed. Some of the Elected Commissioners, in advocating ~~for~~ this proposal, represented that the Citizens were very thankful to Government when the Government in their interest, appointed Mr Coopoo: sami Mudeliar, who was already well known to them, as a whole-time Vice President on the ground of his vast

experience and maturity of judgment and that they would be still more thankful if the original intention of Government is given a fuller operation by retaining him till his experience is fully utilized in the various reforms set on foot by him.

I have seen very little of Mr Coopooswamy Mooni for a considerable time, & have had no opportunities of personally acquainting myself with his state of health.

I met him casually at the Seringapatam railway station when going down to Mysore about a month ago and he seemed to me then to be in good health and fit for further active service.

Dr Benson who has seen a good deal of him for some time past - & who is consequently better acquainted with his state of health, than Dr Stevenson, as he states that Mr Coopooswamy had a paralytic attack in Dec[r] which may

in his opinion recur any day. He is also suffering from diabetes, has a well marked Cataract in the right Eye, & it would, in his opinion be to Mr Corporal Samuel Wood's own interest to be retired from active Executive work; & with this opinion, for the reason stated, I feel bound to concur.

Submitting the Board's Resolution of 30. October 94 in re the grant of increase to the pay of Vice President, Bangalore City, similar to that of Mysore.

Submitted to me yesterday. The file is said to have remained in the D. & C.

2. It appears to be but fair that the Vice President of the Bangalore city should be paid same as the Mysore Vice Pt. Both are whole time Officers, and there is hardly any doubt that the Bangalore work is as heavy as that of Mysore. Bangalore is moreover the premier city in the Province, and since the municipality offers to contribute the extra cost, the recommendation appears worthy of favorable consideration.

In reference to the Proceedings of Government No. 21008-9/L.F 194-92 dated 6th June 1894 declining to sanction an increase of C from the Provincial Funds towards the salary of the Vice President, I have the honor to forward herewith a Resolution of the Board dated 30th October 1894 for the favorable consideration of the Government

2 Bangalore from its larger populatio

more extensive trade and from its contiguity with a still larger Municipality of the Civil and Military Station, is of much greater importance than Mysore The Vice Presidents of both the Municipalities hold the same rank on the general list of Assistant Commissioners. But the Vice President of Mysore is paid Rs 400 while the Vice President of Bangalore is paid only Rs 350/- and the Provincial Funds contribute Rs 200/- towards the salary of the former, while it pays nothing towards that of the latter. I submit that this difference of treatment is fair neither to Bangalore nor to its Vice President on any ground that I can imagine. The Bangalore Municipality like her sister of Mysore Contributes Rs 150/- and

beg that the Government may be pleased to sanction the payment from the Provincial Funds of Rs 250/- which is the full pay of Mr Srinivasa Rao's Grade as is now the case with regard to Mysore.

I may add in Conclusion that Mr Srinivasa Rao has, by passing this year the prescribed Civil Examination, Completed all the prescribed tests. As regards his ability tact and character which I have several times Commended to the notice of the Government in high terms. I need hardly say more that he Continues more than ever to deserve such high Commendation

Docket No 5837 of 17th September 1894 from the Deputy Commissioner Mysore District informing that the pay of the Vice President of the Mysore Municipality is debited to Provincial and Municipal Funds.

Resolution:- As the present Vice President of Mysore is paid Rs 250 from the Provincial Funds and Rs 150/- from the Municipal Fund the Board resolves that the Government be requested to allow the same Concession to Bangalore. The Board is prepared to pay Rs 150/- from the Municipal Funds & considers

that as Bangalore is a more important Municipality than Mysore, the Vice President of the former should be paid at least as much as the Vice President of the latter
